

MICHELLE LABAHN & Associates

Business & Taxation Accountants

ABN 66 883 215 417

We make tax time enjoyable!

Our professional experience extends across most industries, and we cater for business clients of all types and sizes, from small sole traders to large consolidated groups. We assist all types of business from small individuals to small to medium businesses and their owners, streamline their accounting systems so we can partner with them to improve and grow their business.

Getting your head around GST and the preparation of Business Activity Statements (BAS) can be a stressful time. Our goal is to make the BAS process and book keeping as easy and simple for our clients as possible. We tailor BAS solutions to each client's specific needs so you as the business owner can spend more time doing whats important, focusing on building your business.
